Transfer term: _____

1. The Faculty reserves the right to make changes to transfer credits when problems are detected or when changes are made to McGill courses and programs.
2. Newly admitted students must request transfer of credits (including an official transcript) within their first term of study at McGill. These transfer credits should be reported by December 1st for the Fall Term. Failure to meet these deadlines may result in additional processing fees to have the credits added to the transcript.
3. Supporting documents (such as unofficial transcripts) may be submitted with this form to accelerate the approval. However, final approval for transfer credit will be based on the official transcript and processed following receipt of the official copy. It is the student's responsibility to have an official transcript sent to McGill to obtain transfer credits.
4. Students will be eligible to transfer credits to McGill if the grade earned for each course is a C or higher. The policy applies to elective, complementary and required courses.
5. Grades for transfer credits do not enter into any McGill grade point calculations (TGPA/CGPA) however, the number of credits granted will appear on the McGill transcript.
6. For course exemptions students must take an additional course in order to complete the total credits required at the time of admission.
