2. International Education: student exchange programs (approved by APC)

APC reviewed and approved:

- Eight faculty-wide exchange agreements with:
 - Université Pierre et Marie Curie (UPCM), Paris VI, France
 - Université Paris-Sorbonne, Paris IV, France
 - Université Libre de Bruxelles, Belgium
 - Ludwig Maximilians University, Munich, Germany
 - Technische Universität München, Munich, Germany
 - Universitat Autònoma de Barcelona, Spain
 - University of Iceland
 - University of Helsinki, Finland

- Two faculty-specific exchange agreements, as follows:
 - between the McGill School of Architecture and Tongji University, Shanghai, China.
 -

7. APC Subcommittee on Courses and Teaching Programs (SCTP)

In addition to its regular review of courses and teaching programs proposals, SCTP also developed two new processes, to retire obsolete and low enrolment courses, and to reinstate retired programs. Both were approved by SCTP on April 21st, 2016. Changes to the reporting sequence for new graduate level courses and programs were made: in December 2015, GPS decided to only review and approve proposals for new graduate level programs, prior to their review by ES or SCTP. Proposals for new Graduate level courses have been approved by Enrolment Services on behalf of SCTP since then.

8. Research Advisory Council (RAC)

- RAC received three applications for status as an officially recognized McGill research Centre:
- The Institute for Human Development and Wellbeing (IHDW – Faculty of Education), which was endorsed by RAC on September 28th, 2015. The IHDW received its official McGill status at a meeting of the Board of Governors on February 11th, 2016.
 - The McGill Research Centre for Complex Traits (MRCCT- Faculty of Medicine), which was approved by RAC on November 17th, 2015. The MRCCT received its official McGill status at a meeting of the Board of Governors on February 11th, 2016.
 - The McGill Centre on Islam and Science (MCIS- Faculty of Arts), which was approved by RAC on April 26th, 2016. The creation of the MCIS was approved by Senate on September 21st, 2016 and will be submitted to the Board of Governors shortly.

RAC reviewed and approved revisions to the Regulations concerning the investigation of research misconduct in September 2015. Those revisions were approved by the Board of Governors on February 11th, 2016.

10. APC Subcommittee on Continuing Education (SCE)

SCE worked on the following issues:

- Assessing the current continuing education activities throughout the university. The Faculty of Law and the Faculty of Agricultural and Environmental Sciences were invited to present their units' offerings in terms of continuing education (April 14th, 2016).
- Collecting data on continuing education at McGill via the common reporting template they created in 2014/2015.
- Discussing whether or not its membership should be broadened to include representatives from all the units offering continuing activities at McGill, as well as a representative from Teaching and Learning Services

11. APC Subcommittee on Professional Programs (SPP)

The Subcommittee on Professional Programs did not meet in 2015/2016. Its activities have been suspended while a working group spearheaded by Prof. Lara Khoury is reviewing the subcommittee's mandate and composition at the request of the Provost and Vice-Principal Academic.
